Travelodge Hotel Saskatoon is proud to launch the coolest way for families to get away from the demands of daily life and embark on a vacation that is truly unique.

This summer, guests travelling to Saskatoon may indulge in one of our 11 Brand New Themed Guest rooms – open any door and you will leave the ordinary behind!

"This is a very exciting development for Saskatoon. As a creative and innovative marketing tool these theme rooms further the position of the Travelodge Hotel Saskatoon as a destination for traveling families" says Adele Kulyk, the Director of Sales.

The eleven exciting new theme rooms include a medieval castle theme, outer space, hockey, race car, under the sea and forest themes.

"Your family won't believe it's true when you tell them "tonight we're going to sleep under the sea!" OR "tonight we sleep like Royalty, in the new castle room at the Travelodge! Fans will be thrilled to stay in one of our new "Hockey" themed rooms complete with rink boards and a zamboni, or to rev up their engines before racing off in their dreams nestled in a "Speedway Race Car". Come and experience "Space" like never before, sleeping under the stars in the "Outta Space" room, but you better keep an eye out for aliens! " says Kulyk.

The response to the newly launched theme rooms has been met with much excitement from hotel staff, guests, Saskatoon business community and tourism partners.

"We are always thrilled when we have product like this in which will offer visitors a new and fun experience. We are looking forward to highlighting this product in our promotion of Saskatoon as a destination." States Todd Brandt, President & CEO, Tourism Saskatoon.
